

# BUILDING LIFELONG LEARNERS

## CAREER PATHWAYS

SCAN QR CODE  
FOR MORE INFO

The Stanislaus County library offers resources for jobseekers and learners of all levels. Access to these resources is available in-person at any library branch or at home through the library website.

### Brainfuse: JobNow/VetNow

JobNow/VetNow is an all-in-one suite of services designed for a wide range of career or veteran needs. It offers live help with tutors and job coaches. Log in with your library card number to access the live help along with many other online tools.

### Coursera

Free online courses taught by top instructors from over 200 leading universities and companies. Access all course materials, gain skills to advance or switch careers, and earn certificates of completion. Coursera's mission is to help individuals build the skills they need for in-demand jobs.

### LearningExpress Library

LearningExpress supports those looking to prepare for college, obtain occupational certification, find a job, become a U.S. citizen, and much more.

### Northstar Digital Literacy

Northstar focuses on people with no, low, or limited technology skills. Acquire skills needed in today's workplace through free lessons and assessments. Boost skills in computer basics, Microsoft Word, online career searching, and more.

### Looking for more career services?

Stanislaus County Workforce Development offers free career services to assist job seekers in gaining skills to obtain employment.

Our team can help you prepare for job interviews, connect you with businesses that are hiring, give financial assistance for training and so much more!

Visit [www.stanworkforce.com](http://www.stanworkforce.com) for more information!

### Skillshare

Skillshare is for creatives and others wanting to build or grow a business and/or learn new skills. It is an online learning community with thousands of inspiring classes for creative and curious people. Figure out your next side project, pick up new skills for your day job, or pursue a lifelong passion. Create an account for 3 months of free access to Skillshare Premium.

### LinkedIn Learning

LinkedIn Learning focuses on the skills needed to land the most sought after jobs. It is award-winning online learning taught by industry experts, offering more than 3,000 courses and 150,000 videos on business, technical and creative skills.

*This project is supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.*

**A library card is needed  
to access these resources.**

Apply online for a digital services card, typically issued within 3 days, or apply in person for a full-service library card. Show a valid photo ID and proof of address for a full-service card.
