**STANISLAUS COUNTY WORKFORCE DEVELOPMENT BOARD
AGENDA ITEM**

BOARD AGENDA: 8.B.

AGENDA DATE: September 14, 2026

DISCUSSION AND ACTION: ☒

SUBJECT:

Approval of Nomination and Appointment of Workforce Development Board Officer Position of Vice-Chair

STAFF RECOMMENDATION:

1. Approve the nomination and appointment of Workforce Development Board Officer position of Vice Chair.

DISCUSSION:

There is currently a vacancy in the Vice-Chair position on the Workforce Development Board. In accordance with the Bylaws, the Board is required to elect a Chair, Vice Chair, and Secretary. Each Officer must be elected by a majority of the members present.

As outlined in Article V – Officers of the Bylaws:

“The Officers of the Board shall be a Chair, a Vice Chair, and a Secretary. Only members of the Board may be Officers. Each Office shall have a term of two (2) years. Officers shall be elected at a regular meeting of the Board. The Chair of the Board shall, if present, preside at meetings of the Board and exercise and perform such other powers and duties as may be from time to time assigned to the Chair by the Board or prescribed by these Bylaws.

In the absence or disability of the Chair, the Vice Chair shall perform all the duties of the Chair, and when so acting shall have all the powers of, and be subject to all the restrictions upon, the Chair. The Vice Chair shall have such other powers and perform such other duties as from time to time may be prescribed by the Board or these Bylaws.”

In order to fulfil the Bylaws, a Vice-Chair must be elected. The newly elected Vice-Chair will serve in this role until December 31, 2027.

POLICY ISSUE:

The Stanislaus County Workforce Development Board (WDB) is governed by Workforce Innovation and Opportunity Act (WIOA). Per WIOA law § 107, paragraph (3) “CHAIRPERSON - The members of the local board shall elect a chairperson for the local board from among the representatives described in paragraph (2) (A).” WIOA law also

states in § 679.310 “The CEO must establish by-laws, consistent with State policy for Local WDB membership.” The current WDB bylaws, approved by the Stanislaus County Board of Supervisors on November 24, 2020, state in article V “The Officers of the Board shall be a Chair, a Vice Chair, and a Secretary. Only members of the Board may be Officers. Each Office shall have a term of two years. Officers shall be elected at a regular meeting of the Board.

FISCAL IMPACT:

No fiscal impact is associated with this Agenda Item.

WORKFORCE DEVELOPMENT BOARD PRIORITY:

Electing the Vice-Chair most directly aligns with the “*Effective Relationships*” priority. The election of officers ensures clear and effective leadership roles, which supports strengthening and maintaining effective relationships across the workforce development system. These officers serve as key connectors, with the in-demand business community and other workforce partners and help coordinate the Board’s work—so the process supports building and sustaining those relationships.

STAFFING IMPACT:

There is no staffing impact associated with this agenda item.

BOARD AGENDA: 8.C.

AGENDA DATE: September 14, 2026

DISCUSSION AND ACTION: ☒

SUBJECT:

Approval of Updated Supplemental Application and Board Fact Sheet and Authorize the Clerk of the Workforce Development Board to Make Updates as Necessary

STAFF RECOMMENDATION:

1. Approve the updated Supplemental Application and Board Fact Sheet and authorize Clerk of the Workforce Development Board to make updates as necessary.

DISCUSSION:

On June 1, 2026, the Workforce Development Board was presented an Agenda Item to approve the updated Supplemental Application and Board Fact Sheet and to authorize the Clerk of the Workforce Development Board to make updates as necessary. The Supplemental Application is used with the application when members of the public are interested in applying to serve on the Workforce Development Board. At the June 1st meeting, the Board requested that the item be continued and brought back at the next meeting in order for staff to obtain additional information from the State.

The Board's requests were as follows:

1. What if a sitting board member no longer qualifies for their position but still adds value to the board, are they required to be removed?
2. The Board believes that more community members who add value and contribute should be able to serve on the board and that members should not be limited strictly by regulatory requirements. Can the regulations be changed?

The State of California Employment Development Department Regional Advisor was present at the meeting and later followed up with staff with the following response:

Response to Question #1:

"If the current board member no longer qualifies, however, adds value to the board, that person can be appointed as a "special consultant" however, should NOT be a voting board member. (Stanislaus does NOT have to remove the board member and may appoint them as a "special consultant" if Stanislaus feels that this board member adds value).

Under WIOA regulations and local board bylaws, only appointed board members count toward quorum, and consultants are not considered board members—unless an official amendment is made.”

Response to Question #2:

“These are Federal regulations from WIOA. Workforce Innovation and Opportunity Act (WIOA) regulations can be changed. While the underlying federal legislation requires a formal act of Congress to be officially reauthorized, policies and operations can be altered through three primary methods:

- Legislative Overhaul: Congress can update the law itself. For instance, the House has advanced the A Stronger Workforce for America Act (ASWA) to reauthorize and modify WIOA programs.
- State Plan Modifications: States are federally required to submit and periodically update their strategic workforce plans. Through this modification process, states can redirect local funding allocations, change strategic focuses, or adjust performance measures.
- Federal Waivers: Governors can submit waiver requests directly to the U.S. Secretary of Labor. These waivers allow states to bypass specific statutory or regulatory requirements to test innovative service delivery methods.

Because WIOA requires states to review and update their strategies, there is regular built-in flexibility for local workforce boards to adjust programming.”

In addition to providing the requested information from the State, staff are returning the Supplemental Board Member Questionnaire and Board Fact Sheet for the Board’s continued consideration. Staff are recommending updates to both documents to ensure they fully reflect current Workforce Innovation and Opportunity Act (WIOA) regulatory requirements and provide greater clarity for prospective applicants.

When individuals are interested in serving on the Workforce Development Board they begin the process by accessing the application on the Stanislaus County Board of Supervisors website. Applicants complete the County’s Application for Appointment to Boards, Commissions, and Special Districts, along with the required Workforce Development Board Supplemental Questionnaire. The Supplemental Questionnaire is necessary to identify the specific board seat under which the applicant is applying.

Once submitted to the Clerk of the Board of Supervisors if there are any questions regarding member seats, the application is forwarded to the Clerk of the Workforce Development Board for review. This review ensures the applicant meets all eligibility requirements and verifies that a vacancy exists within the category selected. If the applicant meets the qualifications and an appropriate vacancy is available, the application is submitted to the Board of Supervisors for consideration. Upon approval, the applicant is formally appointed to the Workforce Development Board at a Board of Supervisors meeting.

Current Supplemental Questionnaire (Attachment 1)

The purpose of the Supplemental Application is to identify the specific board seat under which the applicant is applying. The current Questionnaire, (Attachment 1), offers a summary of each seat's requirements and does not define the requirements by regulation for Business and Labor seats. This has often led to confusion when applicants are later told that they do not meet the required qualifications.

New Supplemental Application (Attachment 2)

To address better understanding of the seat requirements, the document has been transformed from a questionnaire into a supplemental application. The new redesigned is more visually organized and clearly identifies the requirements for each seat, specifically for Business representation. The goal is to create understanding early in the process and help applicants accurately assess whether they meet the qualifications for the seat they are seeking.

Current Fact Sheet (Attachment 3)

Similar to the current Supplemental Questionnaire, the existing Fact Sheet provides only a brief overview of each seat's regulatory requirements and board member duties. Because the Fact Sheet serves as a key reference document, outlining term lengths, seat-specific qualifications, and the duties expected of Workforce Development Board members, it is important that it contain clear and detailed information. Applicants often rely on it when completing the Supplemental Questionnaire.

New Fact Sheet (Attachment 4)

On the new Supplemental Application under "Category of Representation," applicants would be directed to the revised Fact Sheet. The revised Board Fact Sheet will give applicants a clearer breakdown of the governmental regulations tied to the specific seat they're seeking, outline the term limits of those seats, and offer a more detailed description of board member duties.

If approval, these updated materials will replace the versions currently posted on the Board of Supervisors' "Boards, Commissions, and Special Districts" webpage.

By consolidating all necessary regulatory information and prompting applicants to supply the required details upfront, the Supplemental Application and Fact Sheet help applicants self-identify whether or not they qualify prior to submitting an application. This improvement also supports Workforce Development's obligation to comply with regulations requiring that board members meet the qualification standards for the seats they hold. While staff remain available to assist applicants, these updates should make initial conversations more efficient by ensuring applicants have accurate and complete documentation to reference.

To maintain accuracy over time, staff are also requesting to authorize the Clerk of the Workforce Development Board to make minor updates to the Supplemental Application and Fact Sheet as needed. This includes changes in regulations or adjustments to Board approved in-demand sectors. Any significant changes will be brought back to the Workforce Development Board for approval.

POLICY ISSUE:

Federal regulation 20 CFR 679.320 requires that every Local Workforce Development Board be composed of members selected by the Chief Elected Official in accordance with the criteria outlined in WIOA Section 107(b)(1). The regulation further mandates that the composition of the board must meet all requirements set forth in WIOA Section 107(b)(2), ensuring that each Local Board is properly structured and representative of key workforce, business, and community stakeholders.

FISCAL IMPACT:

No fiscal impact is associated with this agenda item.

WORKFORCE DEVELOPMENT BOARD PRIORITY:

The actions recommended within this agenda item align with all the Board's priorities include: being *Data Driven* in decision making, communication and thoughtful leadership; inclusively strengthening and maintaining effective relationships across the Workforce Development system, focusing on the in-demand business community and other workforce partners by forming *Effective Relationships*; *Development of a Skilled Workforce* by collaborating with, and building a skilled workforce responsive to the needs of the in-demand business community; Increasing awareness of, and engagement with Stanislaus County Workforce Development throughout the community and among business partners by performing *Outreach & Engagement*; *System Alignment and Collective Impact* by informing and being informed by broad efforts and initiatives across Stanislaus County that are aligned with the mission; and attracting and pursuing funding that fosters innovation and aligns with community needs for *Diverse and Strategic Funding*. These actions align with the Board's priorities since establishing and approving next year's meeting dates ensures the Board can plan, coordinate, and monitor progress on each of these strategic areas in a timely and organized manner. Regularly scheduled meetings enable consistent data review, collaborative discussion, and informed decision-making—key elements that support the Board's commitment to effective leadership and impact across the workforce development system.

STAFFING IMPACT:

There is no staffing impact associated with this agenda item.

**STANISLAUS COUNTY WORKFORCE DEVELOPMENT BOARD
AGENDA ITEM**

BOARD AGENDA: 8.D.

AGENDA DATE: September 14, 2026

DISCUSSION AND ACTION: ☒

SUBJECT:

Approval to Start the Process to Amend the Stanislaus County Workforce Development Board Bylaws

STAFF RECOMMENDATION:

1. Approve staff to start the process of amending the Stanislaus County Workforce Development Board Bylaws.

DISCUSSION:

Upon request from the Workforce Development Board at the June 1, 2026 meeting, this Agenda Item serves as the first process to review current Bylaws.

History

On April 5, 2016, the Stanislaus County Board of Supervisors approved Agenda Item B-9 which included the formation of the Stanislaus County Workforce Development Board (SCWDB) and bylaws which satisfied requirements of Workforce Innovation and Opportunity Act (WIOA). The bylaws allowed the SCWDB to be fully functional as of July 1, 2016.

On June 7, 2016, the Stanislaus County Board of Supervisors approved Agenda Item B-1 to amend the Stanislaus Workforce Development Board Bylaws to change the maximum number of members from 25 to 28, add attendance requirement (member cannot miss three or more meetings), and allow the Board of Supervisors to appoint an Interim Chair until Workforce Development Board Officer elections are conducted.

On May 15, 2018 the Stanislaus County Board of Supervisors approved agenda Item 6.B.1 to amend the Stanislaus Workforce Development Board Bylaws adding member term limits, extending officer terms from one year to two years, clarifying that members may not miss more than three consecutive "unexcused" meetings, and allowing teleconference participation provided all teleconferencing requirements are met.

On November 24, 2020 the Stanislaus County Board of Supervisors approved Agenda Item 6.B.7 to amend the Stanislaus Workforce Development Board Bylaws adding purpose of the Board, updated membership language, updated language regarding use

of technology if unable to attend meeting, added language that the Board may delegate Committee Chair to add/remove and replace committee members and amended language that stated the Board may not permit absentee or proxy voting.

Process

Per current bylaws:

“These Bylaws may be amended, repealed, or altered, in whole or in part, by the approval of the Stanislaus County Board of Supervisors. A recommendation to amend, repeal, or alter these Bylaws, in whole or in part, may be made by a majority vote of the Board members present at any duly held meeting of the Board, provided that a copy of any amendment proposed for consideration shall be provided to each member of the Board at least thirty (30) days prior to the date of the meeting at which such vote shall be held. These Bylaws, and any amendments to these Bylaws, shall take effect only upon approval by the Stanislaus County Board of Supervisors.”

During this meeting, staff will take recommended changes to the Bylaws and present these to the Workforce Development Board 30 days before the next meeting on December 7, 2026

Recommended Changes

Staff’s suggested changes are below. These changes are detailed in the attached red line version of the proposed amended Bylaws.

Add Stanislaus County Workforce Development Logo

Article IV – Membership; Add: “Board members are responsible for notifying the Director and Clerk of the Workforce Development Board, upon change of status, which could lead to lack of representation as defined in Article IV of these Bylaws.”

Article V – Officers; Add: “In accordance with 20 CFR § 679.330, the Board shall elect its Chairperson only from among its members who are designated as business representatives on the Board.”

Article VI – Meetings; The current attendance provision states:

“A member with three (3) consecutive unexcused absences from meetings is considered resigned from the Board.”

Staff recommends updating this to:

“A member with two (2) consecutive absences from meetings is considered resigned from the Board.”

This change reduces the number of absences from three to two due to the Board’s infrequent meeting schedule and removes the term “excused.”

Article VII – Committees; Add: Attendance requirements for committee members. “A member with two (2) consecutive absences from meetings is considered resigned from the Committee.”

Article VII - Quorum and Voting; Add that majority is considered “more than half”.

Revise the sentence to read: “The meetings of the Board shall be conducted in accordance with Robert’s Rules of Order and the Brown Act. A majority, (***more than half***), of the current membership of the Board shall constitute a quorum for the transaction of any and all business duly presented at a meeting of the Board.”

Article X - Conflict of Interest; Add: “Additionally, Board members shall complete ethics training, as well as fiscal and financial training every two years in accordance with California Assembly Bill 1234 and must submit a signed certificate of completion to SCWD staff for recordkeeping.”

Staff will send the final draft 30 days prior to the Workforce Development Board meeting on December 7, 2026. If approved by the Workforce Development Board, an Agenda Item to update the Bylaws will be presented for approval by the Board of Supervisors.

POLICY ISSUE:

The Stanislaus County Workforce Development Board (SCSCWDB) is governed by Workforce Innovation and Opportunity Act (WIOA). Per WIOA law § 679.310 “The CEO must establish by-laws, consistent with State policy for Local Workforce Development Board membership.” Per the current established Stanislaus County SCWDB bylaws, “These bylaws may be amended, repealed, or altered, in whole or in part, by the approval of the Stanislaus County Board of Supervisors. A recommendation to amend, repeal, or alter these bylaws, in whole or in part, may be made by a majority vote of the Board members present at any duly held meeting of the Board.”

FISCAL IMPACT:

There is no fiscal impact associated with this agenda item.

WORKFORCE DEVELOPMENT BOARD PRIORITY:
